MARRIAGE TIP 130

“United We Stand” is the title of a 1970’s song by the Brotherhood of Man. The song may be old, but the lyrics contain words that every married couple would do well to look at and memorize. The song is really a reminder that couples should always support each other, have each other’s backs and stand by each other in times of trial. We often forget to keep this context at the heart of our marriages and can antagonize each other instead of support; move apart rather than together. So, remember the words from the song and repeat them to each other often: “For united we stand, divided we fall, And if our backs should ever be against the wall, We’ll be together, together, you and I.” From: Family Ministry Office, 905-528-7988 ext. 2250.
