PARENTING TIP #159

As summer approaches and we plan for holidays, camps and childcare, remember to ensure that family time makes a strong appearance in your calendar. These years with our children are about forming a foundation both for their futures and for our adult relationship with them. Don’t let too many scheduled activities remove the most important one, time spent together as a family. In addition, remember that praying and attending Mass together are great bonding moments as well. (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250).

MARRIAGE TIP #139

Our Catholic faith tells us that the vocation of marriage has a twofold purpose: the good of the spouses themselves and the transmission of life. It can seem challenging for each spouse to help their husband/wife to be the best person they can be, but when we love, we want the best for the other. It isn’t about criticizing and demanding change, but about helping our spouse to grow in faith and maturity and to become the best person they can be. It is not an easy task, but one that brings great reward to each spouse, children and all those connected to us in any way. (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250).

NOTHING IS TRULY LOST UNTIL MOM AND ST. ANTHONY CAN’T FIND IT.
